

A Year to Remember

By Chris Saunders

The Foundation celebrated their 10th anniversary. “The Foundation was started by dedicated volunteers lead by Lynn Patterson and Jane Sargent” said Chris Saunders, the Chair of the Board of Directors. “Over the past 10 years, we have been able to help many local groups with important projects, thanks to the generosity of our community and our corporate and government partners. We have distributed over \$500,000 to support these projects, and we have built our endowment fund to over \$1 Million so that we can continue to support the community for years to come.”

Some of the memorable projects for the Foundation over the years include the first project to get residents to sign up to be organ donors, donating mittens to the students in Pinawa to celebrate the Vancouver Olympics, the annual community project month in May, conceived and led by Carol Findlay, where the Foundation partners with as many local groups as possible to collect and top up the donations for them, publishing and distributing two books on

local history and a community resource guide, and the recent programs to help local groups manage the challenges of Covid-19. The Foundation has also funded many projects at the local hospital (upgraded Wi-Fi and cellphone service; new equipment for Cancer Care), the Pinawa Club (new equipment for both the golf course and the curling club; new flooring for the clubhouse) and the Whiteshell School Division (12 scholarships; new scoreboard, ukuleles, and other equipment; graduation display; history display; Youth in Philanthropy Program). The Ironwood has also benefited from the Foundation with a new walk-in tub, fencing for the Ironwood Garden’s Elder’s home, and Covid-19 supplies.

The past year has been dominated by Covid and the impact on local groups. We partnered with the Community Foundations of Canada (CFC) to assist local groups with covid-related expenses. “The foundation would again like to thank the CFC, the LGD of Pinawa, and Employment and Social Development Canada for all of their assistance” said Chris Saunders, Chairman of the Foundation. “We were able to distribute another \$70,000 from the ESDC to groups in Pinawa during this difficult time”.

Community Project Month

The Foundation, along with our 14 local partners, would like to thank everyone that donated to our annual Community Project Month in May 2020. “May is our giving month in Pinawa” said Carol Findlay from the Foundation. This year, we helped raise over \$63,400 for 14 important projects, including the 30% top up provided by the Foundation. We have 13 projects that need your support in May 2021, including:
