Pinawa Foundation presents Scholarships

The Pinawa Foundation was pleased to present two scholarships in 2022. The awards go to a student who has demonstrated an active interest in the school community as well as the community beyond the walls of PSS. The student is an outstanding example of a volunteer model who gives back to the community. This year has provided scholarships to 2 deserving students.

Pinawa Foundation Scholarship (\$1,000) to Josie Long

The Pinawa Foundation Scholarship goes to the student who has participated in the school community on school committees and teams. Josie currently serves on the Yearbook Committee. She has coached Junior High Girls' Basketball as well as Bunny Rabbits. I am pleased to present this award to Josephine (Josie) Long who plans to pursue a career in education with her focus on theatre and history at the University of Manitoba.

And Gladys Guthrie Scholarship (\$1,500) to Emi Rasmussen

Gladys Guthrie was one of the first nurses in Pinawa Hospital and an excellent example of the most important principle of the nursing profession; according to those in your care value, dignity, and kindness. This memorial scholarship in her memory has been established by her family to be presented to a deserving student entering nursing or a related field of health care.

Emi has shown her interest in leadership from Grade School onwards. She was part of Super Squad at FW Gilbert School. She participated in high school sports and served as team captain for both volleyball and basketball since Grade 10. She coached Junior High Girls' basketball for 2019 & 2020. Her volunteer work has included score keeping and as an entry point screener at the Pinawa Hospital. Emi plans to pursue a career in radiation therapy at the University of Winnipeg.
